To Whom It May Concern:

I am writing to commend to your attention the work of puppeteer, Ann LeGunn. Ann did a puppet making/production residency with us three years ago. She then brought her shadow puppet troupe to perform *The Legend of Sleepy Hollow*. Anne is the consummate artist, with a very clear vision of what she hopes to accomplish, either in a residency or a performance. Her products and productions are visually compelling. The children also really enjoyed making and performing with their puppets.

I would welcome a call and could speak further on integrating Ann's artistic offerings into a regular school setting.

Sincerely,

A handwritten signature in cursive script that reads "Sheila Moran".
